The 1984 Men's Championship

Since the World Amateur Team Championship exists because of a conversation between Juan Trippe, of the United States, and a group of Japanese golf enthusiasts that took place during the Canada Cup match, in 1957, it seems appropriate that Japan became the first non-English-speaking nation to win. It is also appropriate that Japan won in the Orient, at the Royal Hong Kong Golf Club, in Hong Kong.

Japan won by seven strokes over the United States, with a score of 870 against 877 for the Americans. Not only did the Team win, but Tetsuo Sakata, who has played for Japan in every Championship since 1970, shot 68-72-74-72—286, the lowest individual score. Luis Carbonetti, of Argentina, matched

Sakata's score with 68-74-70-74—286.

Japan's winning should not have been unexpected, because golf has been played in the Japanese islands for over 80 years, almost as long as it has been in the United States. The Kobe Golf Club was formed in 1901, and 60 clubs were operating in the late 1930s. In 1957, the pair of Torakichi Nakamura and Koichi Ono won the Canada Cup, which led to a burst of enthusiasm for the game. By the end of 1984, Japan had 1,354 golf clubs.

Japan has played in the Championship every year since it began in 1958, and in 1976, in Portugal, the Japanese finished two strokes behind Great Britain and Ireland, the winning Team. Japan was also second in 1974 to the United States.

As the 1984 Championship began, the Team from the United States seemed on its way to its 10th victory. With Scott Verplank shooting 69 and Jay Sigel and Randy Sonnier adding 70, the Americans took the first-round lead by four strokes over Great Britain and Ireland, at 214. Japan was in third place, tied with Malaysia and Argentina.

The complexion of the Championship changed the next day. While the United States shot 234, its worst day ever, Japan jumped into first place. Noriaki Kimura shot 70, and both Tetsuo Sakata and Kazuhiko Kato shot 72 and picked up 20 strokes. Japan was in first place, with 429, while Great Britain and Ireland remained second, with 433, and New Zealand was third, with 434.

The collapse of the United States gave new life to the Championship. Teams from Great Britain and Ireland, New Zealand, the Philippines, Malaysia, and Sweden all were within range of Japan, and with two good days, any of them could win.

The British and Irish made a serious move the next day behind 72 by Colin Montgomerie and 75s by David Gilford and Peter McEvoy and crept to within one stroke of Japan, 651-652. Sakata shot 72 in the fourth round, Kato had 73, and Kimura shot 74. Japan's 219 was enough to win easily.

Robert Pacterin's final-round 69 helped lift the Philippines into third place, their best finish ever in the Championship.

After its dismal second day, the United States rallied and shot 218 and 216 in the last two rounds to pull into second place.

Once again the Championship fulfilled its purpose of drawing together peoples from differing cultures and providing in golf a means for the exercise of friendly competition. The Championship drew Teams from 38 countries, one short of the record 39 that played in Pinehurst, North Carolina, in the United States, in 1980.

Japan's Tetsuo Sakata led his team to its first-ever World Amateur Team Championship. His four-round total of 286 tied Luis Carbonetti of Argentina for low individual honors.

Delegates and Duffers Cup

Bruce Bailey, of Canada, won the men's division of the Delegates and Duffers Cup competition and Dr. Barbara Rosner, of Germany, won the women's division. The Delegates and Duffers Cup is a handicap competition for delegates to the meetings of the World Amateur Golf Council and for non-playing captains of teams competing in the championships.

The Delegates and Duffers Cup was played at the Discovery Bay Golf Club, on Lantau Island, Hong Kong.

An 8-handicapper, Bailey shot 81 gross. His 73 net beat Will F. Nicholson, Jr., of the United States, by one stroke. Nicholson shot 89-15-74.

Dr. Rosner shot 79 with a handicap of 5 strokes. Mrs. Hisae Ozeki, of Japan, was second, with 85-8-77.

Randy Sonnier of the United States posted rounds of 70, 78, 72 and 69. His individual total of 289 was third-best in the Championship.

The 1984 Women's Championship

The Women's World Amateur Team Championship went once again to the United States, its ninth victory in the 10 played under the World Amateur Golf Council's Women's Division. Since 1966, only Australia, 1978, has broken the Americans' string of victories, although France won the first of these events, in 1964, two years before the Council took over.

Once again, as it had in 1982, the United States led at the end of every round, and in the end won by 12 strokes over France, 585-597. Great Britain and Ireland was third, at 600, followed by Japan, at 607.

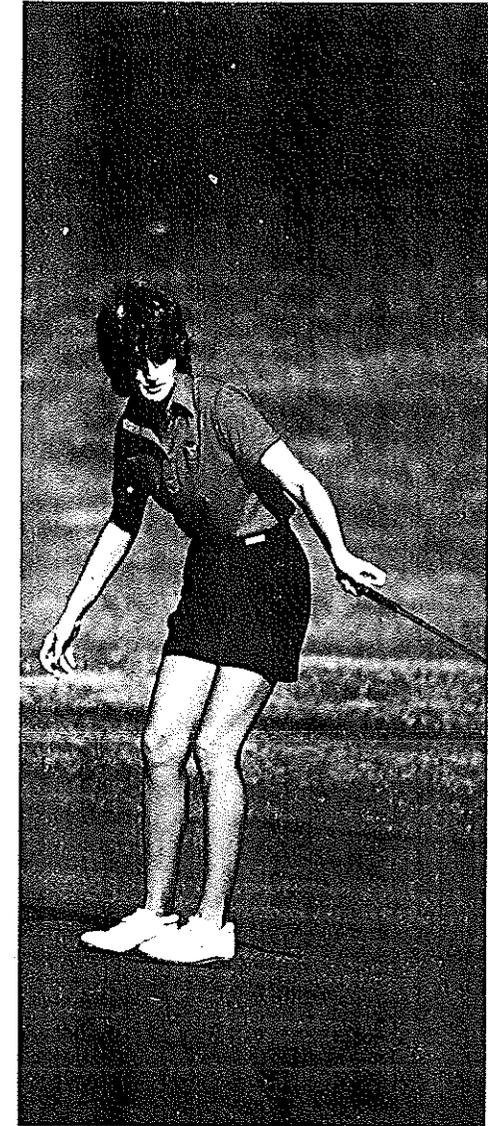

It was clear from the start that the United States would be difficult to beat. Starting at 10 o'clock on the first morning, Heather Farr played the Royal Hong Kong Golf Club in 72, and late in the day Jody Rosenthal shot 73. With 145, the United States led, Spain was second, at 147, behind a 73 by Mary Navarro, a 13-year-old schoolgirl, and 74 by Maria Orieta.

When the Americans slipped to 153 in the second round, Spain had an excellent chance to take the lead, but the Spanish women actually lost a stroke, with 154, and France pulled into a tie, with 148, based on 73 by Valerie Pamard, and 75 by Corine Soules. France and Spain both had 301 against 298 by the United States.

That was as close as anyone came to stopping the Americans. With Debra Richard shooting 70 and Miss Rosenthal 71, the Americans built their lead to 11 strokes over France, with 439 against 450, and by then Great Britain and Ireland had taken over third place, with 453.

The United States left no opening the next day. Starting early, Miss Richard shot 75 and Miss Farr came in late in the day with 71, giving the United States 146 for the day and a 585 total. Additionally, the three Americans had the lowest individual scores. Miss Richard shot 295, Miss Farr 296, and Miss Rosenthal 298, Claire Waite, of Great Britain and Ireland, also shot 298.

A field of 22 teams competed, well short of the 28 who played in 1980.

Miss Debra Richard, the 1984 United States Women's Amateur Champion, recorded the best individual score of the Women's Championship with rounds of 75-75-70-75—295 while helping the United States win its

ARTICLE I

The name of this council is THE WORLD AMATEUR GOLF COUNCIL.

ARTICLE II

Object

Section 1. Friendship and Sportsmanship through Golf

The object of the Council is to foster friendship and sportsmanship among the peoples of the world through the conduct biennially of an Amateur Team Championship for the Eisenhower Trophy.

Section 2. Rules of Golf

The Championship shall be conducted in accordance with the Rules of Golf as approved by The Royal and Ancient Golf Club of St. Andrews, Scotland, and The United States Golf Association; however, if those organizations should have differing codes, the code of the host country shall apply.

ARTICLE III

Membership

Section 1. Eligibility

Membership in the Council is open to any organization which:

(a) Constitutes the sole central authority for amateur golf in its country; and

(b) Has adopted and administers the Rules of Amateur Status of either The Royal and Ancient Golf Club of St. Andrews, Scotland, or The United States Golf Association.

Section 2. Election

An application for membership shall be supported by copies of the applicant's constitution and by-laws or similar documents and such other data as the Administrative Committee determines.

An applicant may be elected to Membership by the Council after determination by the Administrative Committee that the requirements for membership have been met.

Section 3. Finances

(a) Member Organizations shall pay annual dues of \$100, payable in January of each year in the currency of the country in which the Council's Administrative Office is located—see Article IX, Section 8, unless prohibited by law or government regulation. Income from dues shall be used to defray all Council expenses relating to men's events. If expenses in a given year result in a deficit in the Council's account, which shall be maintained in the Administrative Office,

Expenses of the Council shall be limited to the following:

- (1) Insurance and maintenance of the Championship trophies;
- (2) Provision of prizes for individuals; and
- (3) Cost of stationery, postage, printing and other communications incurred by the Administrative Office.

Income shall be limited to dues and monies accumulated to eliminate a deficit.

No Member Organization may incur any expense for the Council, and no representative of the Council shall have authority to incur any expense except as expressly stated herein.

(b) Any other expense incident to the affairs of the Council shall be borne by the Member Organization whose representative incurs such expense.

(c) The expense of conducting the Championship shall be borne by the Member Organization entertaining it.

Section 4. Obligations and Discipline

The acceptance of membership in the Council shall bind each Member Organization to uphold all the provisions of these Articles and any rules or actions of the Council or the Administrative Committee.

Any member Organization failing in these obligations or ceasing to meet the eligibility requirements may be suspended or expelled by the Council.

Section 5. Correspondence with Member Organizations

A Member Organization shall not circulate a memorandum to all other Member Organizations without approval of the Administrative Committee.

Section 6. Withdrawal

Any Member Organization may withdraw from membership by notifying the Secretary to that effect.

Any Member Organization so withdrawing shall remain obligated for its annual dues for the year in which withdrawal occurred.

ARTICLE IV

Championship

Section 1. Time

The Championship shall be held biennially, starting in 1958, on such dates as the Council shall determine. Normally, the Championship shall be held in the second or third week of October.

Section 2. Place

(a) The Championship shall be rotated among the

- (1) Australasian Zone — Countries of Asia, Australia, New Zealand and Oceania.
- (2) American Zone — Countries of North America, the Caribbean and South America.
- (3) European-African Zone — Countries of Europe, Africa and the Middle East.

(b) Invitations to entertain the Championship shall be submitted by Member Organizations to the Administrative Office at least three months in advance of the Biennial Meeting immediately preceding. The Secretary shall inform all Member Organizations of such invitations at least one month in advance of the Meeting.

(Note: Invitations may be submitted by any Member Organization in any zone. Although invitations from the appropriate zone will, of course, be given first consideration, it is important that invitations from other zones, particularly the zone next in order, should be available in case no invitation acceptable to the Council has been received from the appropriate zone.)

At the time of submitting its invitation the Member Organization shall represent that, subject to any restrictions imposed upon it by the Government of its country, it will allow all other Member Organizations to compete if its invitation is accepted. It shall also present with its invitation a statement from a properly authorized official of the Government of its country that all Member Organizations, other than those (if any) named in the statement, will be allowed to visit the country and to compete in the Championship without any restriction whatsoever.

At a time not more than eight months and not less than seven months from the first of the month in which the Championship is to take place, both the Member Organization and a properly authorized official of the Government of its country shall reiterate the statement made in the paragraph above.

Championship invitations shall not be issued and pertinent advertising/promotion shall not be engaged in more than 3½ years in advance.

(c) The location of each Championship shall normally be determined by the Council at its Biennial Meeting immediately preceding. In reaching its decision the Council shall have regard to:

- (i) the importance of locating the Championship in the appropriate zone in accordance with Section 2(a) of this Article;
- (ii) the desirability of distributing the location of the Championship fairly among the Member Organizations in each zone; and
- (iii) the degree (if any) to which an invitation to entertain the Championship has been restricted by the Government of the country concerned.

If no invitation acceptable to the Council has been received from within the appropriate zone, the Council may consider and accept any invitation which may have been received from within the zone next in order of rotation.

However, if the Council at its Biennial Meeting is unable, due to a lack of acceptable invitations or for any other reason, finally to decide the location of the next Championship, the Administrative Committee shall take such steps as are necessary to ensure the continuance of the Championship.

(d) The Council shall have the power to waive the annual dues of any Member Organization which, owing to a restriction imposed by the Government of the country in which a particular Championship is being held, has not been invited to participate in that Championship.

ARTICLE V

(b) The Championship shall consist of 72 holes stroke play; 18 holes each on four consecutive days of the Championship period. In each 18-hole round, the total of the three lowest scores by players of each Team shall constitute the Team score for that round.

The total of the three-player Team scores for the four rounds shall be the Team's score for the Championship.

The Champion shall be the Team with the lowest such total score for 72 holes.

(c) If a tie for the Championship occurs, the

Teams concerned shall play off at 18 holes stroke play, the exact day to be determined in advance by the Member Organization entertaining the Championship. The Team with the lowest total score by three players shall win the play-off. Should an 18-hole play-off result in a further tie, the Teams so tied shall immediately continue to play off hole by hole until the winner is determined; the total of the three lowest scores will be the Team score for each hole.

Section 4. Prizes

(a) The Eisenhower Trophy, presented to the Council by friends of golf in the United States through The Royal and Ancient Golf Club of St. Andrews and The United States Golf Association, shall be held for the ensuing biennium by the Member Organization whose Team is the winner.

(a) Prior to a Championship, the Administrative Committee shall appoint a Championship Committee to conduct the event. The host Member Organization shall be represented on the Championship Committee.

(b) The Championship Committee shall be authorized to decide when a Championship course is unplayable.

(c) If a Championship course is declared unplayable and as a result it is not possible to complete 72 holes of play in the period in which the Championship is scheduled, the Championship shall not be extended beyond the last scheduled day and the winner shall be the Team which returns the lowest score for the number of stipulated rounds played, except that, if it is not possible to play at least 36 holes in the four scheduled days, the Championship shall be terminated without a Champion being determined.

(d) The Championship Committee shall be authorized to schedule in advance a round of less than 18 holes, i.e., the Committee shall be authorized to declare before play begins on any day that the stipulated round for that day shall be, for example, nine holes; the Committee shall not be authorized to declare during play of a round that the stipulated round for that day shall be, for example, nine holes if the stipulated round when play began was to be 18 holes.

ARTICLE VI

(c) In each 18-hole qualifying round, the total of the three lowest scores by players of a Team shall constitute the Team's score for that round. The total of a Team's three-player scores for the two rounds shall be the Team's qualifying score.

(d) Teams shall be placed in flights for match play according to qualifying scores, with the four lowest-scoring Teams comprising the Championship Flight, the Teams in positions 5 through 8 comprising the Second Flight, and so on.

(e) In event of a tie for last place in the Championship Flight, there shall be a sudden-death play-off among all players of the tied Teams, with the three lowest scores by players of a Team constituting the Team's score for a hole. A tie for last place in any other flight shall be decided by lot.

For example, if players No. 1 and 3 of Team A win by 4-2 and 2-1 and players No. 2 and 4 of Team B win by 3-2 and 2-1, Team A would be the winner as the total of its margin-of-victory figures is 9 (4+2+2+1) compared with B (3+2+2+1) for Team B.

They would be followed immediately by the No. 3 and 4 players of the same Teams.

15	4-4-4-3
17	4-4-4-3-2
